## WEBSITE DESIGN & MAINTENANCE

LAI designs websites built for the modern world. Whether you're using a desktop computer, a mobile device, or a tablet, you can rest assured that your site will not only be functional, but beautiful.

We offer one-on-one training so you feel confident updating and maintaining your site on your own. Prefer to have us keep you up-to-date, that's no problem either. We offer comprehensive maintenance packages to ensure your website is always running at peak performance.

## PRINTED MATERIALS

LAI can create engaging designs for a wide variety of print media. From a small project like a business card to a large trade show display, we have the knowledge and capabilities to make your company shine. The majority of our materials are printed right here in the United States of America.

## PHOTOGRAPHY & VIDEOGRAPHY

Whether on location or at our in-house studio, LAI utilizes high-definition equipment that shoots the best quality images to show off your products. Drone photography is a hot trend. Don't miss out!

We also offer videography, which can be used for training videos, product commercials, or just to take your website to the next level.
